## POPE KYRILLOS VI COPTIC ORTHODOX CHURCH DIOCESE OF THE SOUTHERN UNITED STATES

Peace and Grace,

By the grace of God, we are thrilled to announce the establishment of the Coptic Orthodox Church of Pope Kyrillos VI in North Richland Hills, Texas, with the blessings of H.E. Metropolitan Youssef and H.G. Bishop Gregory.

This church will serve the growing Christian community in the Dallas–Fort Worth metroplex and the Southern United States diocese. The church will offer a range of services and facilities, such as a daycare, a school, a clinic, a retreat center, and a museum, to meet the spiritual and practical needs of our families and neighbors.

The proposed church building complex will occupy a 4.5-acre property with about 300 parking spaces. The *existing* building spans roughly **87,000 square feet**. This project costs **\$3.65 million** for the building and land alone before necessary future work.
